

MOBILE BALLISTIC SHIELD SERIES

Setting the standard for security solutions among military, nuclear and government agencies, the Mobile Ballistic Shield Series from PROTECH® Armor Systems provides unparalleled ballistic protection for stand-alone facilities (SAF) and storefront recruiting offices (SFROs). Utilizing advanced materials and engineering, the Mobile Ballistic Shield Series was designed to protect against the ever-increasing risk of active shooter and terrorist threats. Tested to defeat the 7.62 x 51-mm NATO round, the Mobile Ballistic Shield series is offered in three configurations for a variety of user requirements.

As always, PROTECH Armor Systems stands ready to meet and exceed ballistic, blast and fragmentation protection requirements.
